

CHUCKIE ⁽ⁱⁿ⁾ "JUNGLE BUNGLE"

Here comes Jungle Boy,
Lord of the Chimps.

Abandumbed
as a baby...

...raised by
babooms...

...he fears *nothing!*

The jungle
is no place for
the fainted of
heart.

There's
lions, and
tigers, and
bears...

HAAALPY!

Oh, my!

A damsel
in *distretch!*

Time
to swing into
action!
